MOLLY WEASLEY'S SANDWICH SELECTION

Throughout the Harry Potter stories, Molly often believed that a plate of sandwiches could help with any situation. However, these aren't Ron's squashed corned beef sandwiches from the Hogwarts Express.

Our creations capture the essence of her character, infused with the same warmth and love that she so effortlessly exudes.

Clarence Court egg mayonnaise & watercress on spinach bread

Coronation chickpea on cocoa bread

Cucumber & radish with tarragon & lemon butter on carrot bread

Roasted red pepper, pesto & goat's cheese on tomato bread

SAVOURY BITES

Pig-in-Blanket Sausage Roll
Among the treats enjoyed during celebrations in the Gryffindor Common Room were sausage rolls. Our festive take combines vegan sausage, vegan bacon and cranberry in golden puff pastry, finished with cranberry gel and crispy sage.

McGonagall's Scottish Smoked Salmon Tart
Hogwarts sits among the mountains and lochs of Scotland, the country Minerva McGonagall called home. Celebrating the flavours of the Highlands, this vegan smoked salmon tart is paired with horseradish, dill and salt-pickled cucumber.

Dragon Egg
The coveted golden egg awaited each champion after their encounter with a dragon. Inspired by this Triwizard prize, a cucumber cup filled with lemon & dill mousse is crowned with a gilded, blackened quail egg.

SWEET TREATS

Christmas Pudding Tart
While not quite large enough for the Hogwarts Christmas feast, this buttery tart is filled with a rich mince pie filling and topped with a dark chocolate dome, white chocolate and buttercream.

Christmas Tree Cupcake
A nod to the Christmas trees that line the Great Hall, this spiced carrot and apple sponge is topped with a vegan buttercream tree.

Honeydukes Macaron
Inspired by the treats found within Honeydukes' famous green storefront, this mint green macaron is filled with dark chocolate & mint ganache and finished with a candy cane.

Golden Snitch
Harry Potter's first Golden Snitch concealed a secret crucial to the fate of the wizarding world. Our white chocolate version hides something delicious: a luscious cherry ganache.

Butterbeer Scone
A magical twist on the classic British scone infused with fudge pieces and the warmth and richness of the wizarding world's favourite beverage, accompanied by Butterbeer-infused cream and strawberry jam.
